**CLÉOPÂTRE-LES-BAINS**
Samî Kélada
Les éditions Scaramouche are proud to present Cléopâtre-les-Bains, a collection of short stories set in 1950s Alexandria. The author, Samî Kélada, transports us back to his native Egypt at a time when a vibrant francophone community thrived in both Alexandria and Cairo. A consummate master of style and imagery, Kélada paints for us in deft and brilliant brushstrokes a number of critical moments in the adolescent life of Karim, his complex and engaging protagonist. «Kélada fait bien vivre les premiers conflits de Karim, son idéalisme orgueilleux et ses premières peines d’amour. Il montre aussi à travers ce personnage combien est insolite la puissante nostalgie qui nous ramène à jamais aux blessures et aux joies de l’enfance.»
Colleges and universities may select from two editions of Cléopâtre-les-Bains. The first contains four unedited, unabridged and unexpurgated NOUVELLES. The second, featuring three of the stories, has been edited and includes content questions, discussion topics and a LEXIQUE. More information is available on our internet website at www.aquilafsl.com. 108 pages, paperback 0-88510-21-5
